GOD'S WORD IS MEDICINE

Proverbs 4:20-22 My son, **give attention to my words**; Incline your ear to my sayings. Do not let them depart from your eyes; Keep them in the midst of your heart; For they are life to those who find them, And health to all their flesh. (NKJV)

IF YOU WILL TAKE THE WORD OF GOD LONG ENOUGH IT WILL HEAL YOU.

Hebrews 4:12 **For the word of God is living and powerful**, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. (NKJV)

Proverbs 4:23 **Keep and guard your heart** with all vigilance and above all that you guard, **for out of it flow the springs of life.** (AMP)

1 Timothy 4:6-8 If you instruct the brethren in these things, you will be a good minister of Jesus Christ, **nourished in the words of faith** and of the good doctrine which you have carefully followed. But reject profane and old wives' fables, and exercise yourself toward godliness. For bodily exercise profits a little, but godliness is profitable for all things, having promise of the life that now is and of that which is to come. (NKJV)

Spiritually you are supposed to be active and receiving the Word. You have an important part in how the Word works in your life.

He doesn't change and He's no respecter of persons. This is what makes the Will of God yours for you to be healed.

You can only prove God wrong with scripture. If you don't believe what the Bible says prove it with scripture.

Millions believe that everything that happens is the Will of God. That is not correct. The Will of God is in the Word of God.

There's so much more to words than what we've heard and seen. Spoken Word produced everything that exists. His Words Heal.

We are in a medicated society. Watch it everybody. You have to be careful. God has medicine. His medicine is perfect and has no side effects. You can't overdose on God's medicine.

If you will take enough of God's Word long enough, God's Word will heal you.

What is healing? Healing is a renewal or restoration of the body from an injured, diseased or damaged condition.

Keep the enemy waiting for you to get weak. Just keep getting stronger and stronger with the Word of God. Read the Bible everyday. You won't miss an opportunity to build yourself up. Is it His Will for your to be strong or weak?

You're not a brain. The brain is an organ. You will be you with your full mind and faculties, without your brain, after you die. You are a spirit. The life that is in your flesh comes out of your spirit. Does the condition of your spirit effect your body? There is a lot more and science is just finding out about it.

What happens if you don't guard your spirit? Spirits need spirit food. Spirits need to fed and nourished. How do I get my spirit strong? I've got the life of God in me.

Faith is of the spirit. It's not mental. You believe God with your spirit. You can feed and exercise your spirit. His Words feed your spirit. Your spirit is more important than a doctrine.

When you are weak in your spirit you become lazy and don't want to do anything. You can only talk about quitting, giving up and there is no reason to go on. When your spirit is strong there is peace and joy.

No fault religion is so popular. No matter what happens it's not your fault.

Make an adjustment and begin to say your joints, blood, glands, immune system strong it will spare you of all kinds of problems as you grow older.

A STRONG SPIRIT WILL SUSTAIN YOU

3. **Drains.** *Stop the drain. There are things that will drain your spirit. Here are the drains:*
 - *Fear*
 - *Worry*
 - *Too busy or too many things the Lord never told you to do*
